FORWARD VIRGINIA BLUEPRINT

# Phase I looks like this:

- Safer at home—especially if you are vulnerable
- No social gatherings of more than 10 individuals
- Continued social distancing
- Continued teleworking
- Face coverings recommended in public
- Easing limits on business and faith communities

# Phase I: Guidelines for All Businesses

1. Physical distancing
2. Enhanced cleaning and disinfection
3. Enhanced workplace safety

Phase I could last 2-4 weeks or longer.

# Phase II looks like this:

- Stay-at-home for vulnerable populations
  - No social gatherings of more than **50** individuals
  - Continued social distancing
  - Continued teleworking
  - Face coverings recommended in public
  - Further easing business limitations
- Phase 2 could last 2-4 weeks or longer

# Phase III: Longer-term

- To move to Phase III, we're looking for no evidence of rebound for a sustained period of time.
- Phase III looks like this:
  - Safer at home for vulnerable populations
  - Remove ban on social gatherings
  - Remove capacity limits in establishments
  - Continue heightened cleaning and disinfection
  - Possible other measures

Phase III could be 10-12 weeks away, or more.
