

Virginia

FORWARD VIRGINIA BLUEPRINT

We are all in this together

Virginians are doing the right thing.

Staying home. Wearing face coverings. Social distancing. Slowing the spread.

• The Commonwealth is taking aggressive action.

Closing schools. Limiting gatherings. Stay-home orders.

• Our hard work is delivering results.

But daily cases are still rising

Growth rates are slowing

Hospitalization rates remain flat

Anticipated delivery date, by: PPE in Virginia Apr 26 May 10 Distributed May 31 TBD May 17 On-Hand May 3 TBD: recently awarded contracts, awaiting estimated Expected deliveries by week, # of units ship dates N95s / KN95s 17,440,976 **Surgical Masks** 8,328,666 **ISO Gowns** 1,691,448 Coveralls 22,503 **Gloves** 17,096,826 **Face Shields** 1,047,666 Medical 200,100 Goggles

- Coveralls: 550
- Sanitizer: 268

Virginia needs to keep doing what we're doing and plan for the next phase

VIRGINIA'S METRICS FOR PHASE ONE:

- ✓ Moving downward: Percentage of positive tests over 14 days
- ✓ Moving downward: Hospitalizations over 14 days
- ✓ Enough hospital beds & intensive care capacity
- ✓ Increasing & sustainable supply of PPE

This is how we get back to work

Testing Virginia

Current tests per day: 2,600

Predicted tests per day: **5,000**

Predicted tests per day: **7,500**

Predicted tests per day: 10,000

Predicted tests per day: 2,000

2

3

4

5

High risk, symptomatic individuals and outbreaks Expansion. Strike Teams. National Guard

Community testing.
Commercial labs

Large-scale testing as economy opens

Steady state.
Ongoing
monitoring.

When we see...

- Downward trend: Percentage of positive tests over 14 days
- Downward trend: Hospitalizations over 14 days
- Increased testing and tracing
- Enough hospital beds & intensive care capacity
- Increasing & sustainable supply of PPE

...then Virginia can move to phase one.

Phase one looks like this:

- Some businesses re-open with strict safety restrictions
- Continued social distancing
- Continued teleworking
- Face coverings recommended in public
